Project proposal description

Description of the project idea

Replacement of outdated lamps used to illuminate the hospital grounds, and installation of new, modern, 'smart' and eco-friendly outdoor LED luminaires fitted with motion sensors. Use of renewable energy sources to equip the hospital grounds, replacing outdated energy sources and providing the hospital's outdoor areas with eco-friendly lighting, for the safety of patients and their visitors and medical staff. Disposal of obsolete, used lighting equipment.

We are open to discussing other alternative project ideas.
