Project proposal description

Description of the project idea

Establishment of an environmental hub in an educational institution and installation of equipment for environmental care and protection

Expected role of the partner institution

The partner institution is expected to provide expertise in environmental education, support the implementation of the environmental hub, participate in training activities for teachers and students, assist in the installation and use of environmental monitoring equipment, and contribute to the exchange of good practices within the project

STATEMENT

I declare that I have provided my personal data voluntarily and that I have read the information clause below before giving my consent.

I consent to the processing of my personal data for the purpose of searching for partners for the preparation of projects under the Interreg Poland-Ukraine Program 2021-2027.
